## *Finding Our Next Priest*

*I* wanted to take this opportunity to talk with you about the process and efforts toward finding the next priest for Christ Church. Understandably, there have been many questions about this and the timeline.

First of all and most importantly, I believe and our Vestry believes that God will call a priest for our Parish. We have been blessed most recently with Father Tom but many of you know the history of the priests we have had in different periods of our church. These folks have guided us and enriched our faith community over time.

Second, unfortunately there are many fewer priests than there are parishes looking for a priest. Further, as a parish looking for a part-time priest, the number of priests who are bi-vocational or who may be semi-retired and looking for part-time work is even more limited. Even diocesan positions have been vacant for an extended period as the diocese continues to search for the right person to fill the shoes left by Rev. Cannon Anne Hallmark when she retired last spring.

Third, since we are seeking a part-time priest, our pay scale reflects this. Pay for priests is established by our diocese and, in our tradition, we have offered a part-time wage as Father Tom was (though we know he put in so much extra work). Our Discernment Committee prepared a position description based on these expectations and it was approved by the Vestry.

The reality is that we may spend an extended period of time waiting for the next rector of our Parish as we have in the past and as many other parishes in the state also wait. What is important, in the meantime, is that we continue the focus of our ministry in the community. The Vestry and I will continue working to

find visiting clergy as they are able (and we already have many dates covered in the latter spring and most of the summer). Morning Prayer is not a “fill-in” service but rather a continued, prayerful worship time where we are able to enjoy the fellowship of our parish community. We will continue outreach activities, fellowship activities like the Shrove Tuesday Pancake Dinner on February 13, and outdoor services in the summer.

I know it is easy to lose faith but our parish has much to be thankful for in our history and our future will continue to honor God in our community. If you have Episcopal clergy (or clergy who are in communion with the Episcopal Church) in your network of friends and family, please refer them to me for potential visiting clergy openings. In the meantime, we can all pray. Pray for God’s guidance for our Discernment Committee. Pray for our future priest. Pray for leadership in our diocese.

*Almighty God, we pray for the guidance of your Holy Spirit as we seek a new priest for our church. You know our special needs and the task that lies ahead of us. Direct our Discernment Committee in their search, and give them insight to perceive the leader you would choose for us. Lord, we pray for unity, spiritual strength, wisdom and endurance as you set us on our task. Dear Lord, we ask you to help us to have patience with one another and to, above all, show mutual love and respect to each other, especially, during this process. And we further pray, O Lord, that in this time of waiting we may all devote ourselves afresh to your service, so that nothing be lost of the faithful work of the past, but rather that it may be brought to a rich harvest in the years to come. This we ask in the Name of Jesus Christ our Lord. Amen.*

## *Stewardship Thank You*

*M*embers in Christ,

On behalf of the Vestry and the Stewardship Committee we wish to express our deepest gratitude to members of Christ Church for your recent pledges for the 2024 fiscal year. Your individual annual pledge is the single most important part of our financial health of Christ Church.

Your yearly generous financial gift is the backbone of our church and allows the Vestry to plan a comprehensive budget for the upcoming year.

Without your help, any near term plans for our church would be impossible.

Your time and talent offering allows us to organize the many volunteer positions we need to fill which allows us to continue our ministry in our community.

Thank you again for your ongoing support of the ongoing mission of Christ Episcopal Church.

*A* half dozen CEC members packed food bags at the Manna Food Project Warehouse in Harbor Springs on January 4. Elementary students in Antrim, Charlevoix and Emmet Counties receive simple meal items, delivered weekly at their schools to take home.

In 90 minutes, 450 bags\* were packed & boxed ready for distribution. \*We put a dent in filling the 2200 bags needed. Rotary and other church groups each help once a month to make quota.

# *Remembering* **BARBARA DANLY** **OUR SISTER IN CHRIST**

Christ church is saddened at the loss of our member Barbara Danly, who died January 6th in Traverse City. Barbara and her husband John became members of Christ Church about 15 years ago. They moved to Maine to be near a daughter when John became ill, and after John passed away Barbara returned to northern Michigan settling in Traverse City to be near her sons Bill and Peter.

Barbara was a woman of great spirit and energy who was devoted to family, friends and her community. She and John enjoyed raising llamas on their farm in Charlevoix after they retired from Hinsdale, Illinois. She enjoyed spinning yarn and weaving, and was delighted to share her interests with her friends and grandchildren. She will be missed by everyone who knew her. There will be a memorial service for Barbara in the summer at Christ Church.

**JEAN LOPER**

**OUR SISTER IN CHRIST**

Jean Loper

*Jean Loper*

Our sister Jean passed on to greater glory January 15, 2024. Her funeral was held at Christ Church on January 27, 2024 at 11a.m. a luncheon followed in the parish hall.

*Roman 15:13 "*

*May the God of hope fill you with joy and peace in believing, so that you may abound in hope by the power of the Holy Spirit. "*

Jean Loper and husband Arnie were active members of Christ Episcopal Church. Jean and her three children, Mike, Carolyn and Greg would participate in many of the activities around holidays and special events. Jean, my mom, Joan, Ann Puffpaff, Doris Hosmer, Barb Gallagher, Aunt Esther, Aunt Marge and many other women were great roll models for all of the children of our church.

I visited Jean many times before COVID, sent cards to keep her spirits up during COVID, and in the past few years I took the opportunity to visit when I could. She had so many stories to fill the time together. Jean shared memories of how she and Arnie started coming to Christ Episcopal because Arnie knew the Carey boys and they went there. He respected them when he was in school at Charlevoix. I always thought that was special.

I will miss sharing a cup of coffee with Jean. She was a beautiful women.

PROGRAM PRESENTED BY DAVID L. MILES FEBRUARY 18, 2024 @ 4P.M.

## *“Boulders: The Life and Works of Earl A. Young”*

the Year by the Library of Michigan. In 2022, the Historical Society of Michigan granted it a State History Award for Outstanding Michigan Historical Publication.

This program, using many illustrations from the book including all of his structures, will concentrate on how it came to be written at this time, how it was organized and compiled, where the source materials needed to give Young full justice came from, and the challenge of summing up an extremely complex man who, by his own admission, could be difficult both to work for and with. But he left an inspirational legacy to a small town that is unsurpassed, and the Earl Young Mushroom Houses of Charlevoix have long been one of the top attractions in northern Michigan.

In May of 2020, the Charlevoix Historical Society Press introduced its latest publication, *BOULDERS, The Life and Creations of Earl A. Young in Charlevoix, Michigan*. This 173-pp., fully illustrated work is the first ever biography written about the man and his whimsical works, now known around the globe. Young was never a registered architect. He worked mainly out of his head on the inspiration of the moment, inspired by the wonders of nature, principally glacial age boulders, that he discovered in and around Charlevoix after arriving here in 1900 at age eleven.

Written by Society curator David L. Miles, and assembled with the assistance of seven others, *BOULDERS*, self-published and self-distributed by the Society, has gone through two printings and reached sales of nearly 1200 copies. A third printing will take place in 2024.

In 2021, *BOULDERS* was named a Notable Book of
